

Know Your Machine - Class #1

This Class is for all machines and is required before taking the "Model Specific" Part 2 class(es). In this class you will learn all the essentials so that you will have a thorough understanding of how to keep your machine operating at its best. I will go over, needles, threads, tensions (upper and lower), maintenance (cleaning and oiling) and the anatomy of your machine (how to access and adjust the stitches, change feet, wind bobbins and threading).

Please call and sign-up for a class — if no one has signed up for the class it will be cancelled.

Bring your machine, accessories, foot control, power cord and a spool of thread.
Hand outs are included for future reference

Class Time - 2 1/2 hours

Cost - Free to any customer who has purchased a machine at Ryan's,
\$25.00/hour if machine was purchased at a different location
