

Sewing Project of the Month Club

Sewing Project of the Month Club

Welcome to our Club. Every month we have new and exciting new projects. We strive to make projects that can be made on a basic sewing machine and sometimes we need a machine with several decorative stitches. Don't forget to bring your basic sewing supplies which are: your machine and accessories, scissors, disappearing ink or water soluble pen or pencil, straight pins, pin cushion, needles, rotary cutter, tape measure, thread, and ruler. Join our club and you will receive a membership card, which will entitle you to a 15% discount on threads and notions purchased at our store. **Reminder: You must let Jeannine know if you want a kit and which class you want to attend so that she knows how many handouts to prepare for each class.**

Cost - \$25.00 Per Year Class Time - 2 1/2 Hours

10 a.m.—12:30 p.m.

Instructor - Jeannine CdeBaca
