# ? ? ? ? 2023 Mystery Quilt ? ? ? ?

Join us for this year's mystery quilt! Ryan's Mystery Quilt will be unveiled in parts as a monthly lesson and kit. You will learn a variety of piecing techniques as you work to the big reveal and last set of instructions in November. Mystery quilt participants can meet on either Friday afternoon or Saturday morning of the last weekend of the month when you will receive written and oral instructions for the next segment.

Ocean

Flame

As a participant, you will have a choice of two different colorways, ocean and flame. This year's mystery quilt will be a medallion style quilt and the basic kit will finish at about 48" square. You will have an opportunity to add additional borders and/or rounds to increase the size of the quilt. These will be available for an additional fee.

Frustrated with understanding all the different types of Embroidery Stabilizer?

Instructor: Diane Strauss  
Saturday February 18th  
Time: 10:30am - 1:00pm

The majority of the problems in machine embroidery stem from stabilizer issues. In this lecture class I will go over a wide variety of stabilizers, their uses and suggestions for various types of fabric or projects. A variety of samples will be on display to illustrate the way in which the stabilizer was used to achieve the desired result.

You will take home handouts for future reference
